EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jeffrey S. Bergman on 29 April 2005.

The application has been amended as follows:

In the Claims

Claim 8, line 10 – replaced "trough", with - -through- -

In the Specification

Page 5, line 14 – replaced "26", with - -28- -

The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest all the claimed limitations including the hardface coating applied to the shirrtail portion bounded at one end by a shirrtail tip and at the other end by a line passing through a center of the bearing journal and perpendicular to a longitudinal axis of the bit body.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
